excellent

(NPMC). The idea grew out of the players who travel to the area churches to for funerals. While serving our Lord Jesus Christ in this funeral ministry, friendships and fellowship have developed. Playing under the numerous area directors provides great variety – variations on 14A or 602A can be surprising.

As the idea of a fellowship afternoon developed, NPMC volunteered to host the event.

Players are invited to come out at 4:00 pm and we'll play until 6:00ish. We'll play out of the green and blue books. NPMC will provide chairs and up to 50 music stands. You may wish to bring a music stand in case it may be needed. We hope to have a large group (100+) as this invitation is intended for all the Moravian churches so please forward to your various e-mail lists.

Band Directors – Please choose several of your favorite chorales that you would like to conduct for a group of this size. We hope to have time for each director to direct the band so that we experience the various directing styles.

If the weather cooperates, we hope to play outside in the parking lot behind the church at the pavilion and then about 6:00 pm we will move to the pavilion for the BBQ Pork Ribs and trimmings. Otherwise we will be in the fellowship hall. Moravian band players, their families, and band groupies are invited for the afternoon. We hope to have a great afternoon mixing two great Moravian customs – music and food! Come out for some great fellowship.

We will set out a donation basket to cover the cost of the meal and all proceeds will be donated to the Moravian Music Foundation.

It is very important for you to RSVP with a count that will be attending so we may prepare enough food. Please RSVP to Jim Snyder snoopysnyder@triad.rr.com by Sunday, October 14. Thanks go to Jim for collecting the responses. Please RSVP with the number attending and if you are a director and wish to conduct the massed band. If you have additional questions you may contact Joey Transou, 971-7804 or joey_transou@piedmontrealtygroup.com.
